

These and many other issues that KIT has taken up during his career reflect his belief in the importance of doing everything we can today to make our tomorrows better for our children and our grandchildren—since their future is ours, too.

I know I am not the only one who will have a moment from time to time next year when I will wish KIT was still around here, walking around with that trademark smile of his, caught up in yet another battle for something he believed in, something he knew would be important to the people of Missouri and the future of our Nation.

Fortunately, whenever we feel the need for a little of his advice or an observation or two we will know where to find him—just down the street, back home in Missouri.

Now that this chapter of KIT's life has ended, I have no doubt another will soon begin. As KIT pointed out, "there are many ways to serve" and "elective office is only one of them."

As he leaves the Senate, I would like to thank him for his willingness to serve; his wife Linda for her support and encouragement along the way; his son Sam for his heroic service in our Armed Forces; and all the members of his family who stood behind him over the years.

Diana and I send our best wishes and heartfelt appreciation to them all. We especially want to thank KIT and Linda for their friendship and for all they have meant to this Senate family of ours that extends from one corner of our Nation to the other.

Keep in touch. We will always enjoy hearing from you with your thoughts about whatever we happen to be taking up on the Senate floor. Good luck and God bless.
